

CONNECT VIRTUALLY

Join the Greater Milwaukee Foundation, Medical College of Wisconsin, and Royal Capital Group Community Fellows Laice Perry and Braxton Clarke for their virtual office hours. They will share updates on the partnership and the redevelopment of the former Gimbels-Schuster's Department Store. Neighbors can learn about various community resources and hear about different programs at the Medical College of Wisconsin that will be moving into the neighborhood. We will highlight various community spaces, resources, and organizations that are positively impacting the surrounding neighborhoods. Different partnership leaders will also be present to help answer questions community members may have about the project. We look forward to you joining us!
